

My Gift To Heart And Lung Research

Could you support our work on a regular basis?

A regular monthly tax deductible gift of \$25 or more entitles you to become a **Partner In Research**. Your regular gift will ensure that we have the necessary funds available to help ordinary people as they battle unexpected, life threatening diseases of the heart and lungs. As a **Partner In Research** you will receive research updates and invitations to The Baird Institute special events. If however you would prefer to make a 'one off' gift this would also be gratefully received.

If you would like more information, please contact Catherine Rush, CEO, on 02 9550 2350
