

Transcatheter Aortic Valve Implantation (TAVI)

Friday 24 November 2023

12pm - 1pm

Virtual Zoom Session

Join Dr Brian Plunkett (Cardiothoracic Surgeon) as he discusses the patient journey in TAVI procedures and their future development.

Topics to be discussed:

Current requirements for TAVI patients

Types of access for TAVI

Team approach to TAVI patients

Complications in TAVI procedures

Post-op care: what is the patient outcome

Innovative technologies for future TAVI procedures
